O R D E R

Under the provisions of Section 81 of the Dadra & Nagar Haveli Land Revenue Administration Regulation, 1971, the division of survey numbers into sub-divisions and fixing of assessment of sub-divisions shall be carried out in accordance with the rules made in this behalf and the powers for carrying out division or sub-division of the land has been entrusted to the Survey & Settlement Officer vide this Administration's notification No. ADM/RD/LND/RAK/1181(81). However, of late it is observed that sub-division of the survey numbers in respect of non-agricultural land leads to many discrepancies including accessibility and leaving of setbacks while granting construction permission etc. It is, therefore, hereby ordered that before carrying out any sub-division of the R.A. land, Survey & Settlement Officer shall obtain the approval of the Collector and before submitting the case to the Collector, he shall also obtain the comments of the Associate Town Planner and shall submit the proposals accordingly to the Collector for his approval.
